REMARKS

25X1

This is UNEVALUATED Information

25X1

Between 19 and 22 April 1953, 20 x 100-mm AT guns, 12 x 122-mm howitzers, 12 to 15 x 76-mm AT guns, and about 40 prime movers from the Flak Kaserne were loaded at the Merseburg railroad station on 12 troop trains. [redacted]

25X1

Comment.

the

25X1

bulk of the 76th Arty Frig (US) of the XXIX Gds Mtz Rifle Corps was entrained. During the same period in 1952, the brigade moved to the Kindel troop training grounds. The number of 12 troop trains, however, appears overestimated.
